

Amendments to the Drawings:

The attached sheet of drawings includes changes to Figure 1 and replaces the original sheet. Changes are indicated in the annotated sheet.

Attachments: Replacement pages (3)

Annotated sheet showing changes (3)

The amended figure corrects typographical and amino acid numbering errors in some of the sequences. Applicants submit that these errors would be obvious to a person of skill in the art. Thus, Applicants assert that no new matter has been added as a result of these amendments.
